In addition, we would like to invite the wives of the attaches-designate to attend selected classes. These ladies will be officially cleared for access to SECRET security information and if you have no objections we would like to include them as indicated on the inclosure.

In order to complete our scheduling, it would be greatly appreciated if you could advise us by 20 March of the names of the speakers, their telephone extension, and the classification of their lecture. At this time it would also be appreciated if you would authorize the school's action officer for these classes, Lt Colonel Wyly K. Again, may we express our appreciation for your continuous, outstanding support of our training activities.

Sincerely yours,
